Kepada Ko Suhana Lim,

Feng shui = adalah sesuatu hal yg sangat minim kami ketahui,  
Tapi setelah bertemu dgn Ko Suhana Lim ternyata Feng Shui adalah sesuatu hal yg sangat menyenangkan dan sangat membantu perubahan dalam kehidupan kami sekeluarga terutama dalam hal penghasilan.  
Saran2 yg diberikan sangat masuk akal dan tidak memerlukan biaya yg mahal.  
Dan juga Ko Suhana masih bersedia membantu memberikan saran nya via email mau pun chatting via facebook meskipun sudah pulang ke aussie.  
Kami sekeluarga sangat berterima kasih atas bantuan yg diberikan selama ini.

Sukses selalu.

*Translation:*

To Suhana Lim,

We knew very little about fengshui.

Having met Suhana Lim we discovered that feng shui is something that is very interesting and has helped us a lot particularly in our financial/income.

Suhana Lim gave us very logical recommendation and suggestion that does not require a lot expenses. Suhana Lim is also always available to provide his support through email or Facebook chats even after he returned to Australia.

Our family is very grateful for his assistance all this time.

All the best
